Workflow Exploration Report

Search and Download Photo

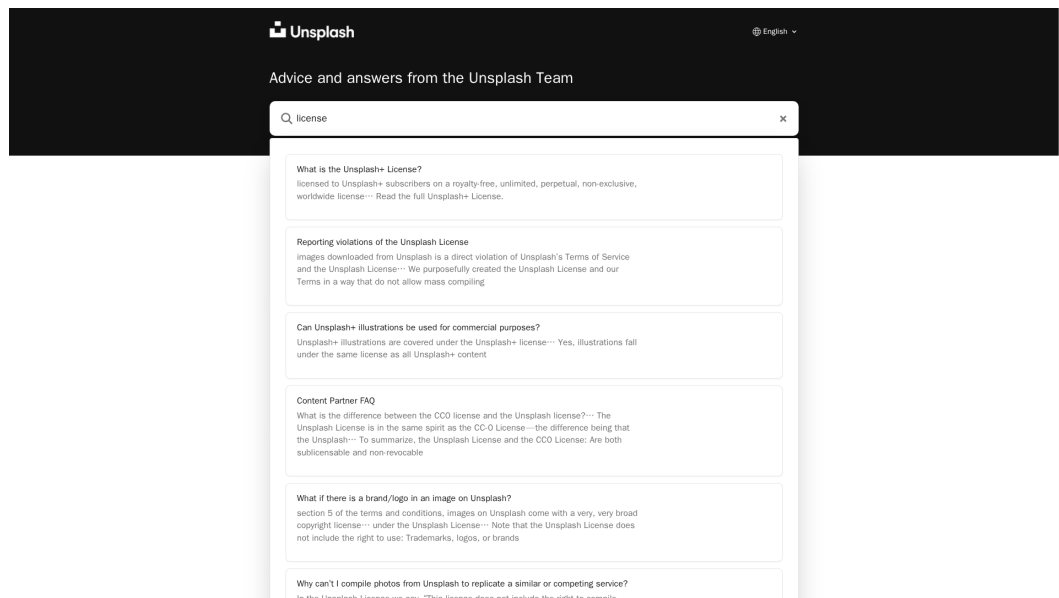

Website: <https://unsplash.com>

Feature Area: Core Search & Download

Goal: Search for a specific topic and download a high-resolution image. Success: Download triggered and 'Say thanks' modal appears.

Generated: April 07, 2026 at 04:54 AM

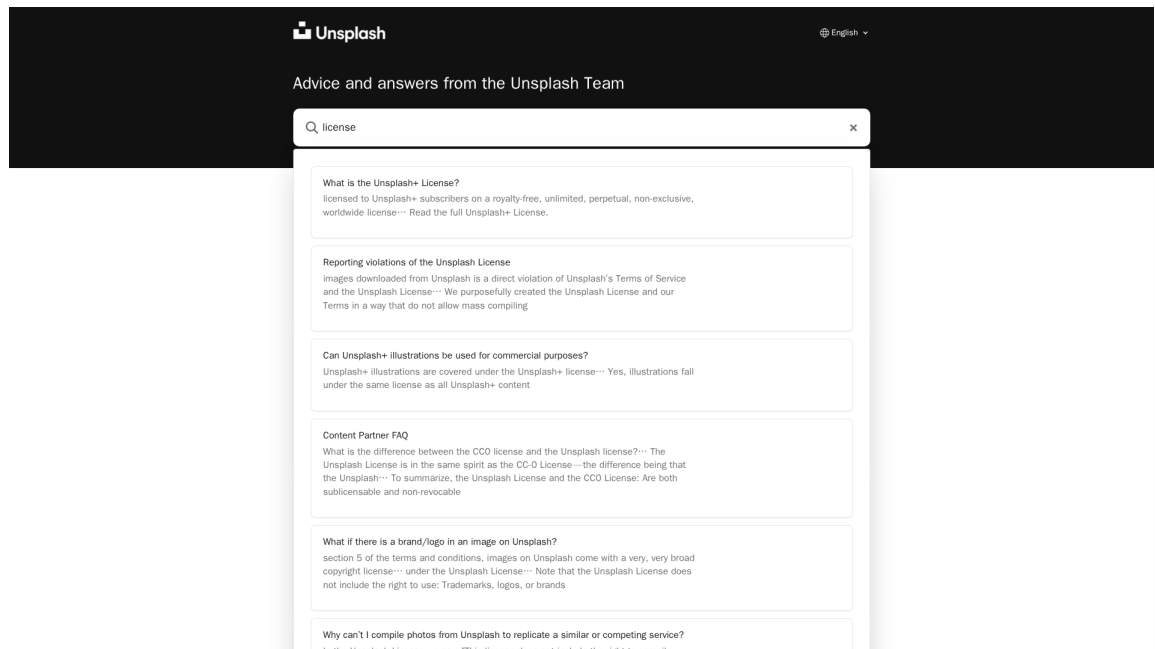

The AI navigated the Unsplash Help Center to research image licensing policies. It successfully searched for 'license', explored the official license collection, and accessed a detailed article on commercial usage, despite encountering a bot detection block on one of the navigation attempts.

Step-by-Step Walkthrough

1. Navigate to Help Center

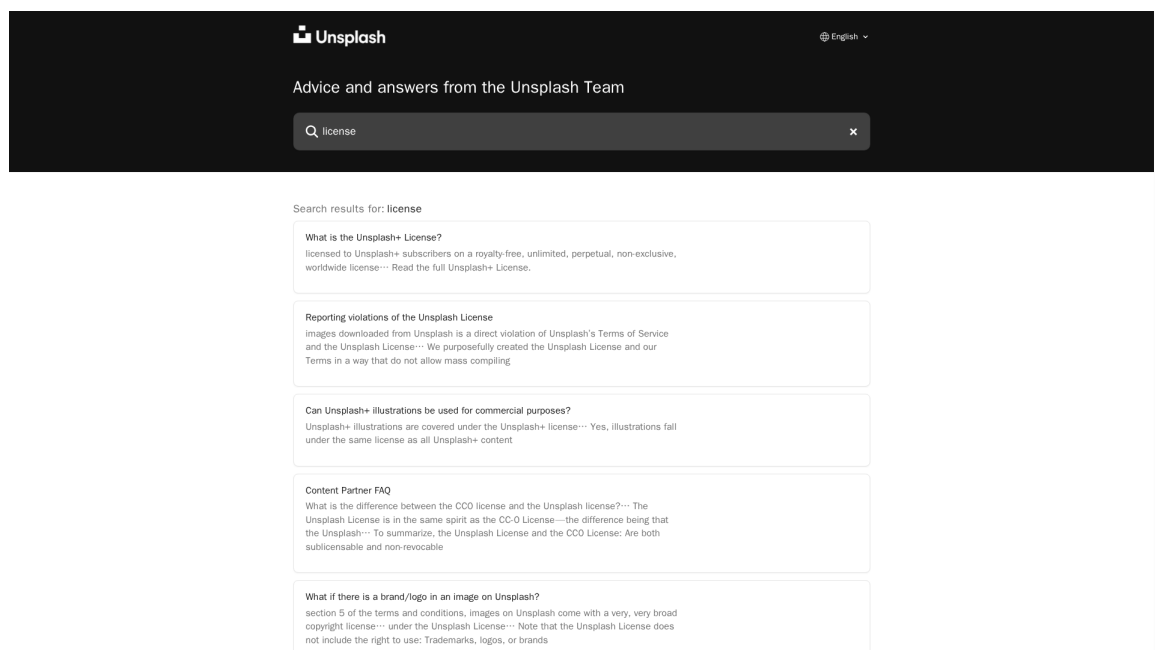

The AI begins the workflow by navigating to the Unsplash Help Center home page.

<https://help.unsplash.com/en/>

2. Search for License Information

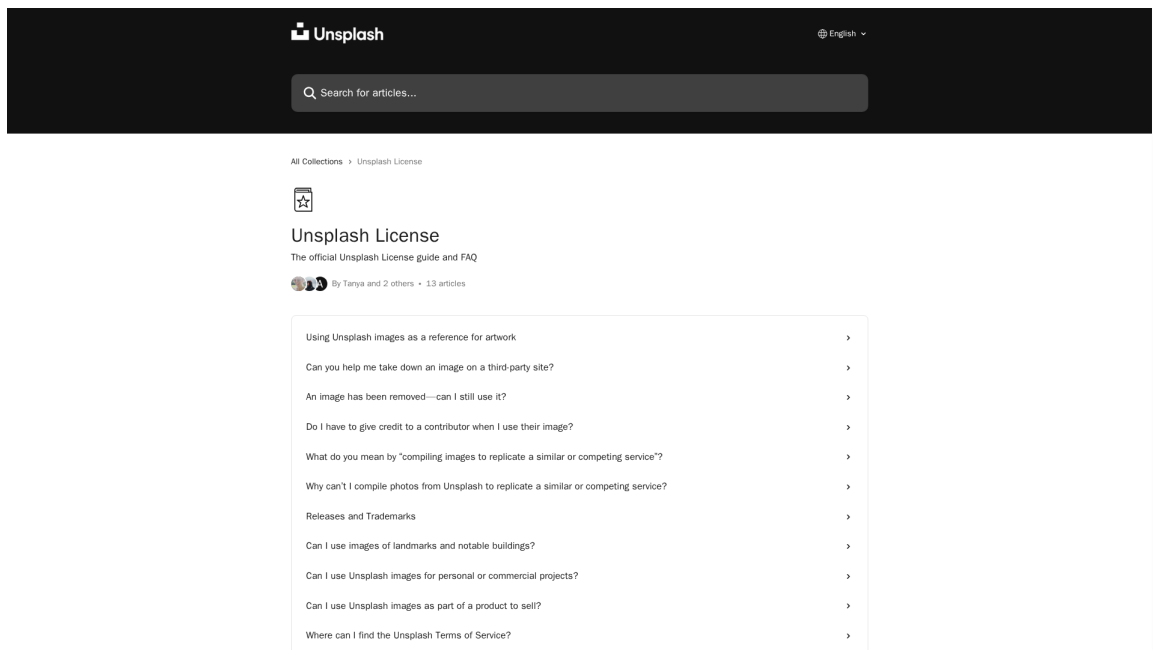

The AI types 'license' into the search bar to find relevant documentation and FAQs.

Discovered Test Scenarios

#	Scenario	Type	Priority
1	Search and Download Photo	preview	high

Search and Download Photo

Search for a specific topic and download a high-resolution image. Success: Download triggered and 'Say thanks' modal appears.

The AI navigated the Unsplash Help Center to research image licensing policies. It successfully searched for 'license', explored the official license collection, and accessed a detailed article on commercial usage, despite encountering a bot detection block on one of the navigation attempts.

- Navigate to <https://unsplash.com>
- Click into the search bar at the top (placeholder 'Search high-resolution images')
- Type 'mountains' and press Enter
- Click on the first non-sponsored photo in the results grid to open the detail modal
- Click the 'Download free' button in the top right corner of the modal
- Verify that the image download starts and a 'Say thanks' attribution modal appears.
