The AI navigated the Unsplash Blog to explore community stories and product updates. It successfully filtered content by the 'Announcements' category, viewed a detailed article, and verified the pagination functionality by loading additional posts at the bottom of the feed.

Step-by-Step Walkthrough

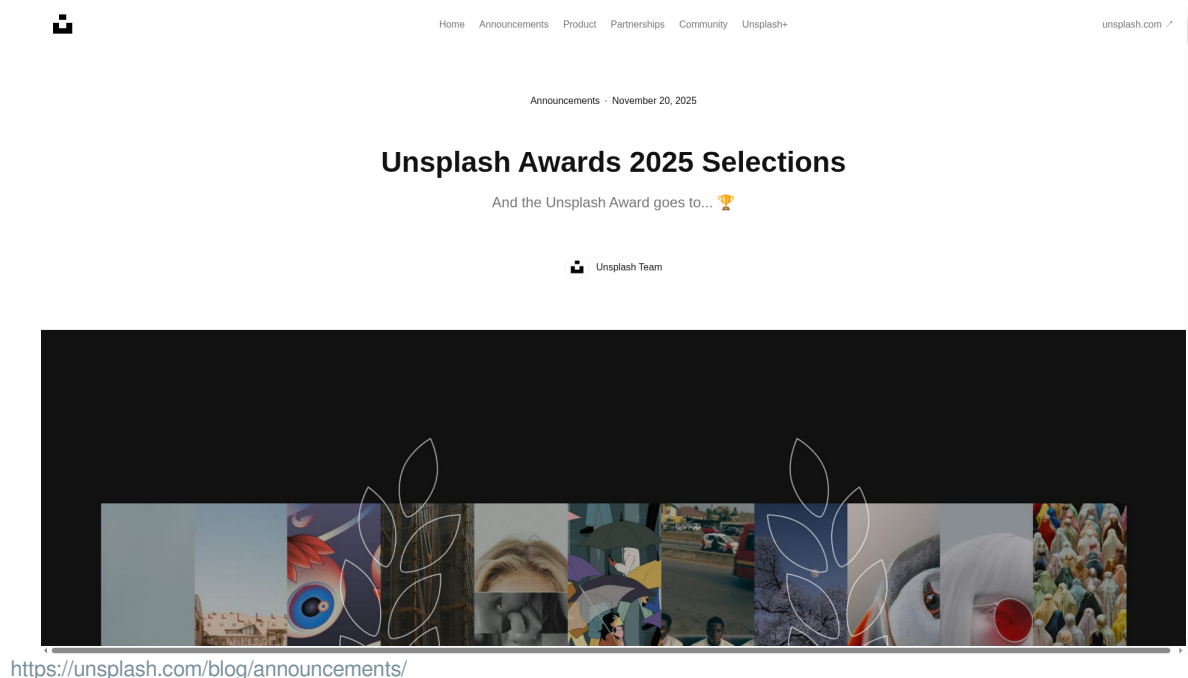

1. Navigate to Unsplash Blog

The AI navigates to the Unsplash Blog homepage to begin browsing community stories.

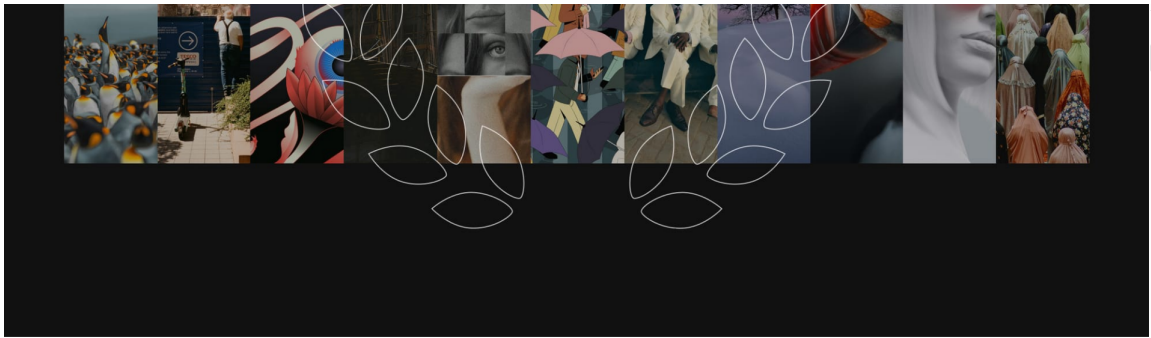

2. Filter by Announcements

The AI clicks on the 'Announcements' category filter to narrow down the blog posts to news and updates.

3. View Featured Article

The AI selects and opens the 'Unsplash Awards 2025 Selections' article to view its full content.

The 9th annual Unsplash Awards have come to a close. This year brought together powerful images, bold ideas, and a community that never stops raising the bar.

Before we reveal this year's finalists, we need to say a huge **thank you**. Every submission, every share, every ounce of support helped shape one of our most exciting Awards yet.

A huge round of applause goes to our amazing panel of judges for taking on the nearly impossible task of selecting this year's finalists.

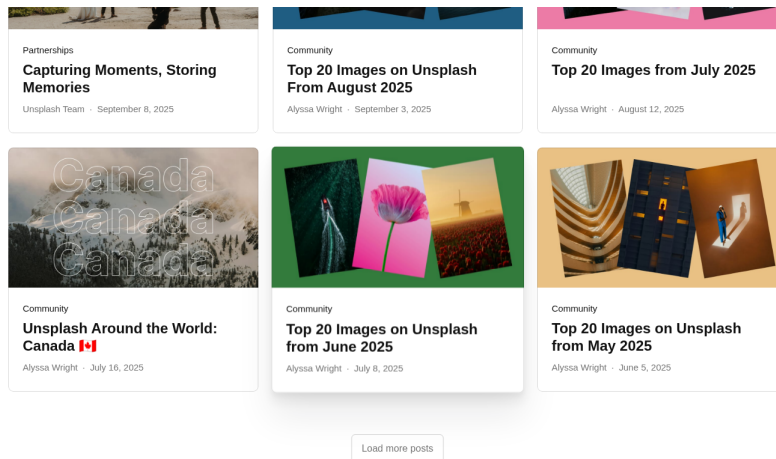

And a **special shoutout to our sponsor, Samsung Memory**, for awarding each finalist \$500 USD and for presenting this year's Photo and Illustration of the Year Awards.

Now for the best part: here are the finalists and shortlists of the 2025 Unsplash Awards.
