Workflow Exploration Report

Access API Documentation

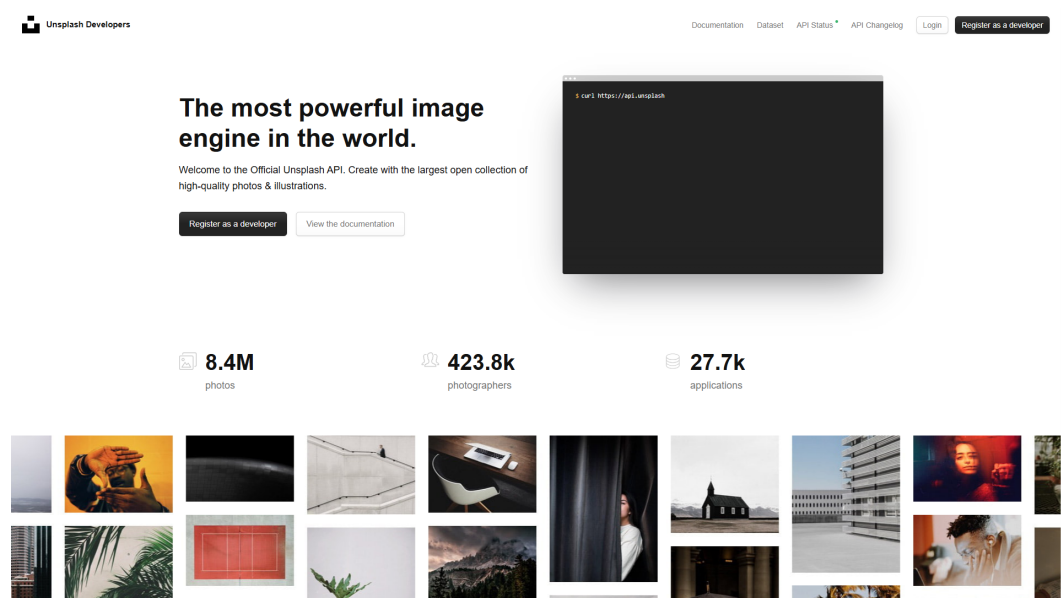

Website: <https://unsplash.com>

Feature Area: Developer Platform

Goal: Navigate to the developer documentation to learn about API integration.

Generated: May 21, 2026 at 06:24 PM

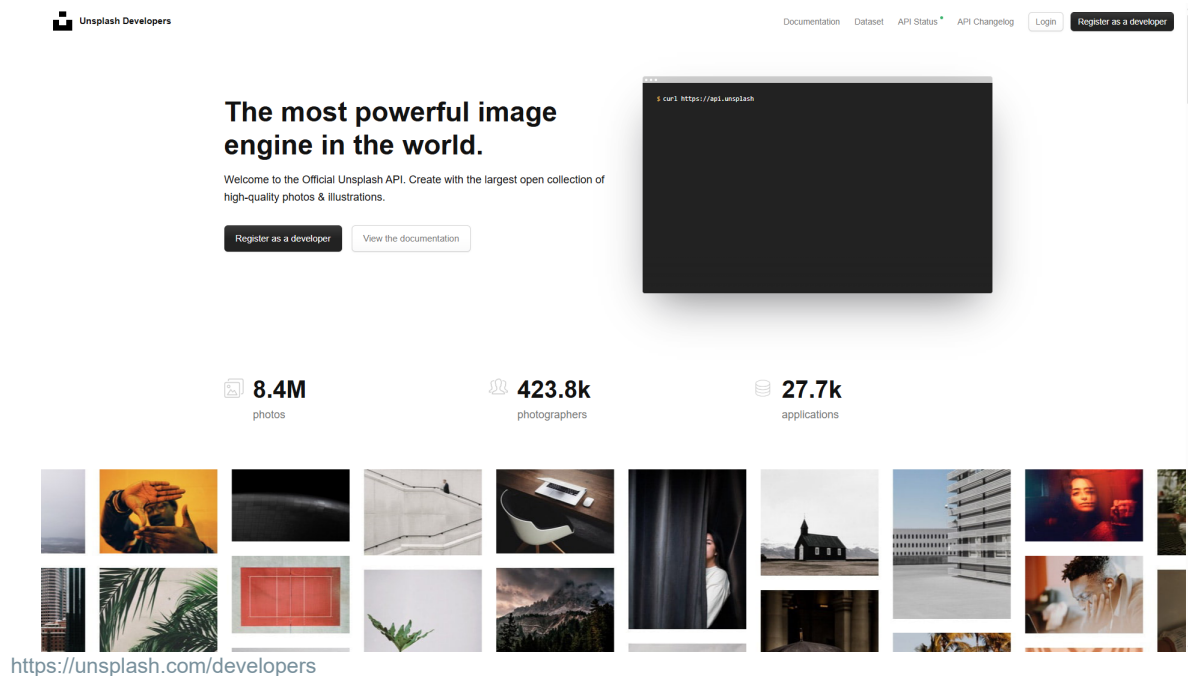

The AI successfully navigated the Unsplash Developer platform to access comprehensive API and dataset documentation. It explored the technical integration guides and identified the specific requirements for accessing both the Lite and Full research datasets.

Step-by-Step Walkthrough

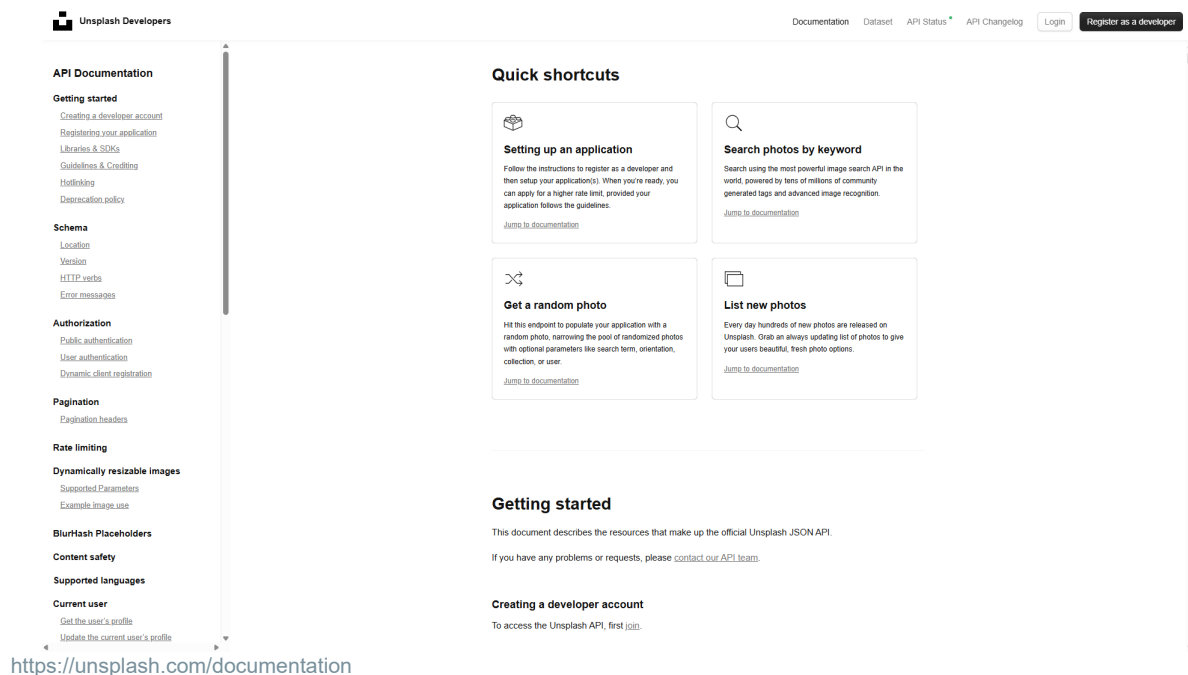

1. Unsplash Developers Landing Page

The AI navigates to the Unsplash Developers homepage to begin exploring the available integration resources.

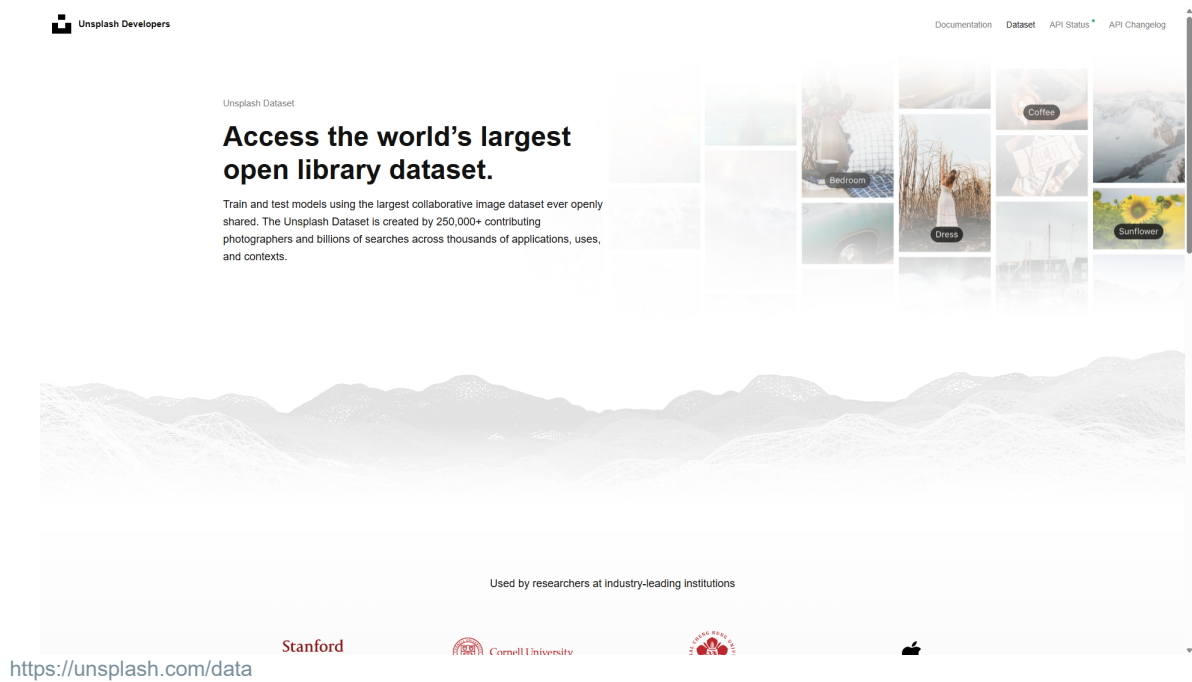

2. Accessing API Documentation

The AI clicks on the documentation link to view the technical guides, authentication methods, and API shortcuts.

3. Navigating to Dataset Research

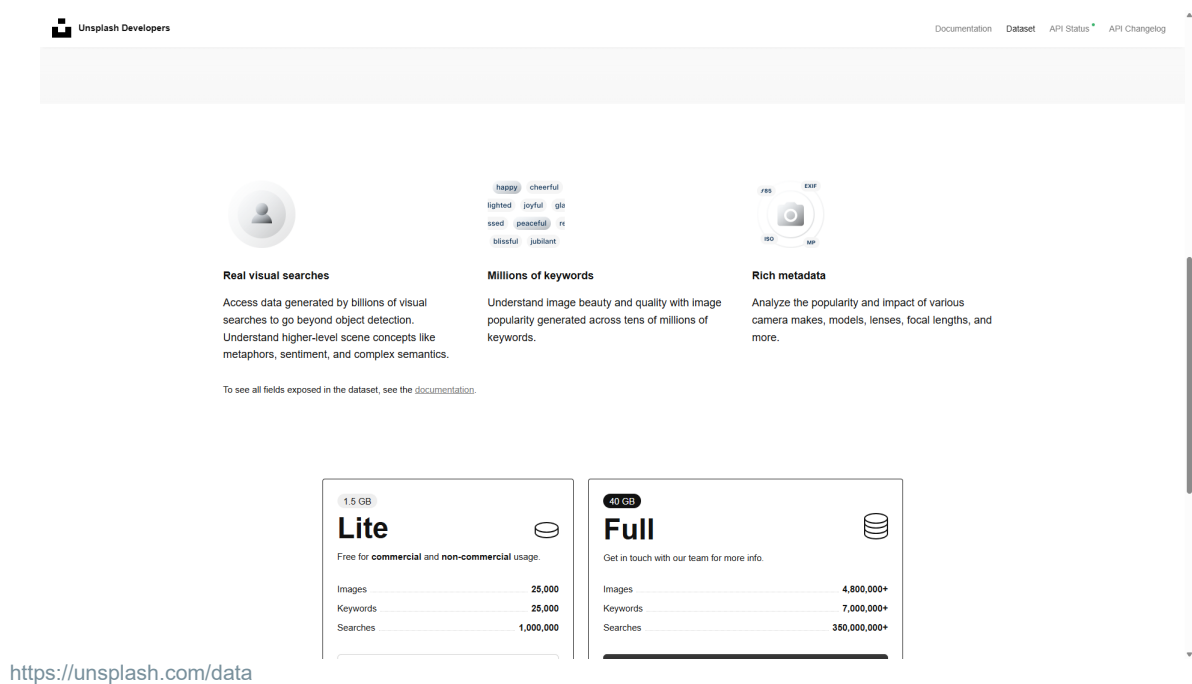

The AI navigates to the Dataset section to learn about the open library available for research and model training.
