Workflow Exploration Report

Search, Filter, and Download Free Photo

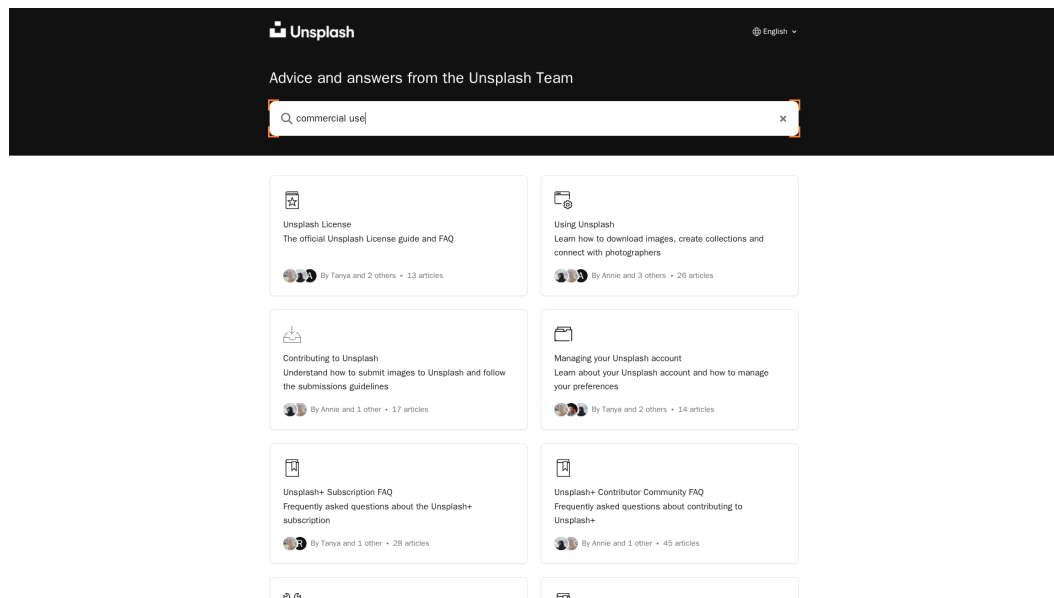

Website: <https://unsplash.com>

Feature Area: Core Search & Download

Goal: Find a specific type of image using filters and download it for free. Success: Image download is triggered.

Generated: April 07, 2026 at 06:41 AM

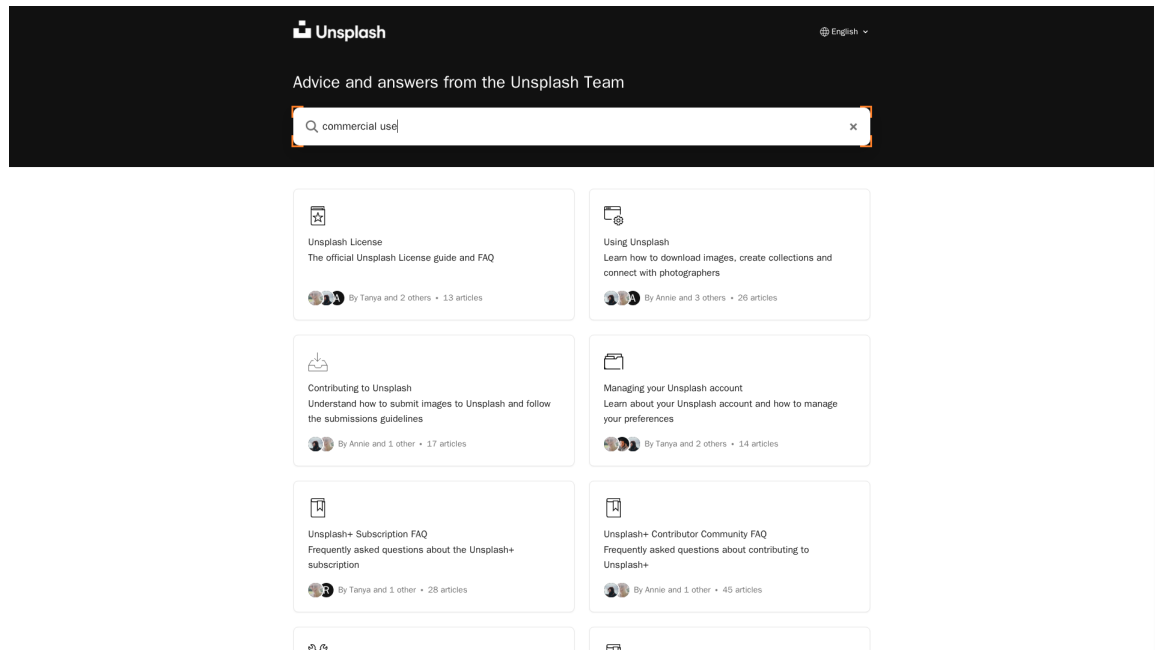

The AI navigated the Unsplash Help Center to locate licensing information regarding commercial image use. It successfully demonstrated two discovery paths: performing a keyword search and browsing through the categorized 'Unsplash License' collection to reach the relevant documentation.

Step-by-Step Walkthrough

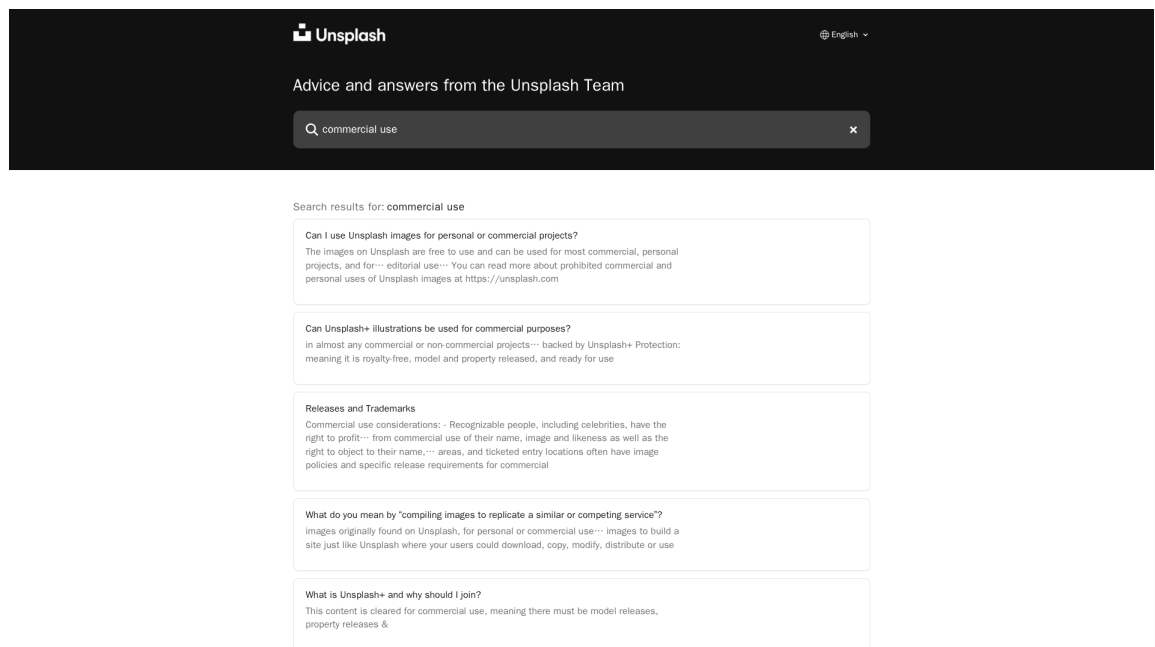

1. Searching for Commercial Use Guidelines

The AI enters the search term 'commercial use' into the help center search bar to find relevant documentation.

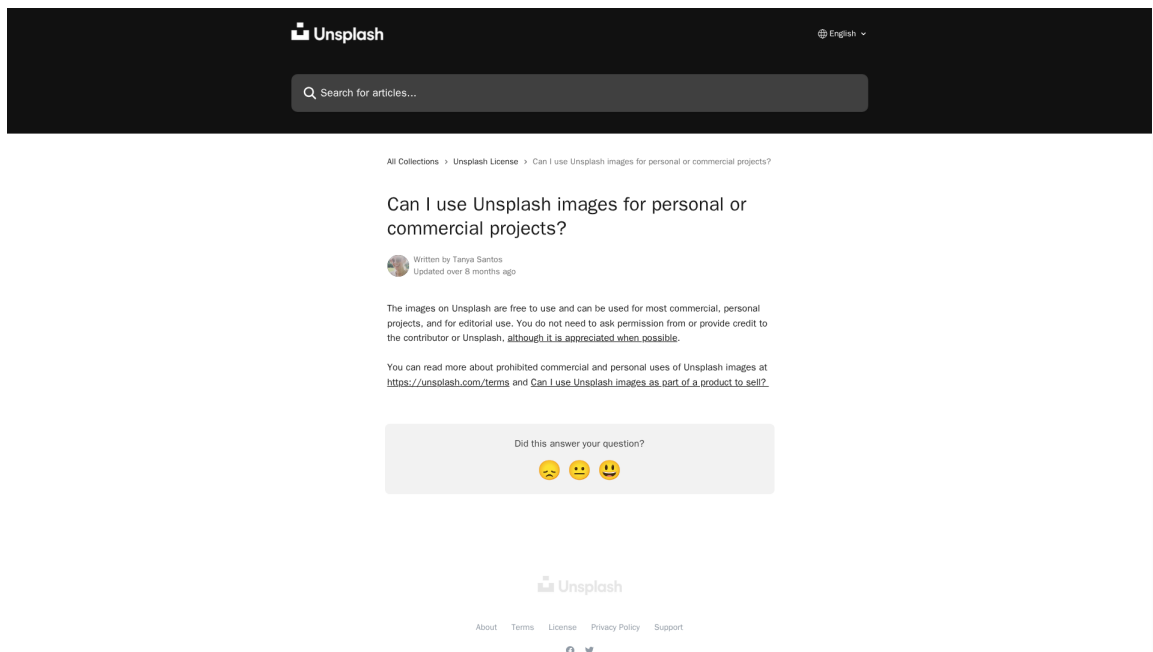

2. Reviewing Search Results

The AI identifies and selects the most relevant article from the generated search results.

3. Accessing the License Article

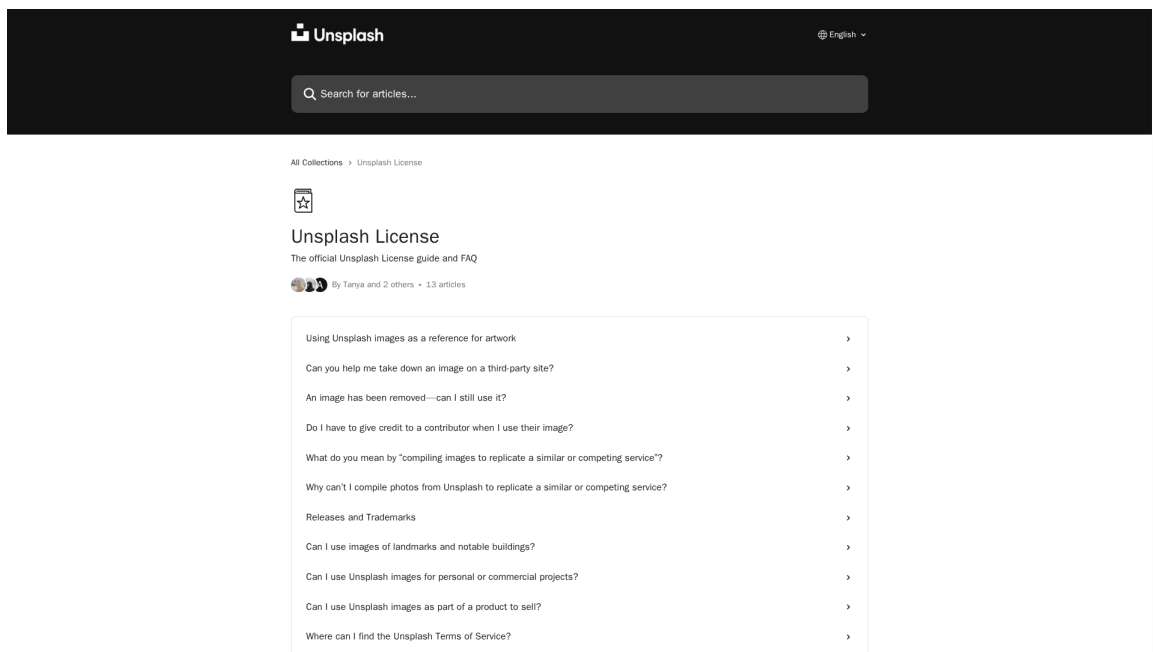

The AI opens the article explaining the permissions for using Unsplash images in personal or commercial projects.

4. Navigating via Collections

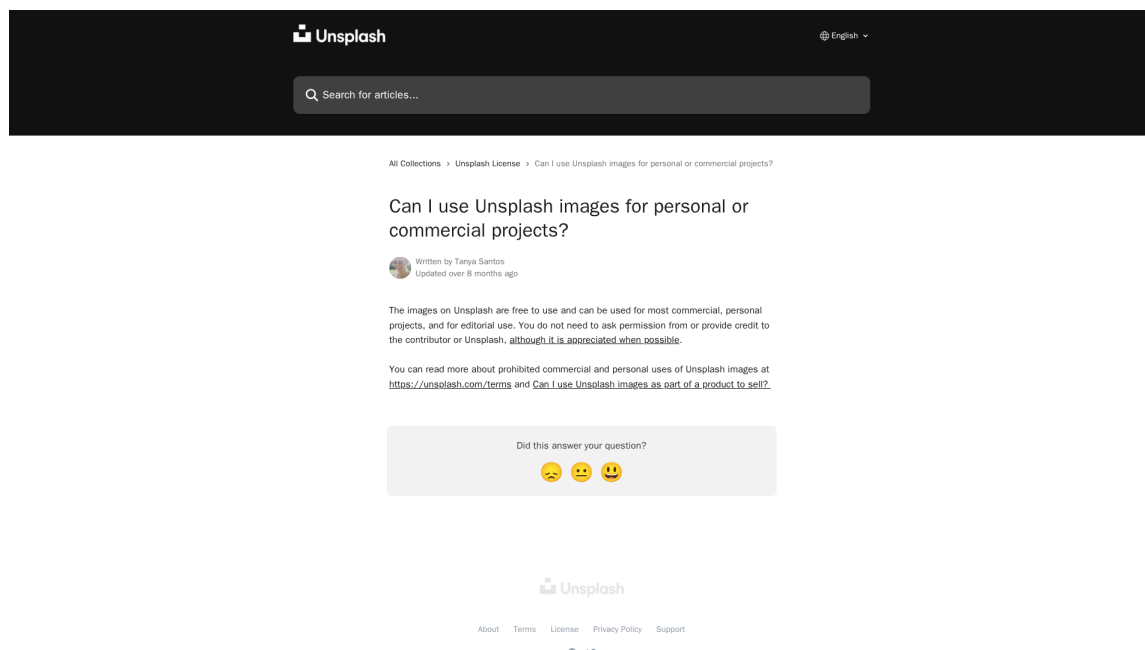

The AI demonstrates an alternative discovery path by browsing the 'Unsplash License' collection list.

Discovered Test Scenarios

#	Scenario	Type	Priority
1	Search, Filter, and Download Free Photo	preview	high

Search, Filter, and Download Free Photo

Find a specific type of image using filters and download it for free. Success: Image download is triggered.

The AI navigated the Unsplash Help Center to locate licensing information regarding commercial image use. It successfully demonstrated two discovery paths: performing a keyword search and browsing through the categorized 'Unsplash License' collection to reach the relevant documentation.

- Navigate to <https://unsplash.com>
- Type 'mountains' into the main search bar and press Enter
- Click the 'Orientation' filter dropdown and select 'Landscape'
- Click on the first image result to open the expanded view
- Click the 'Download free' button in the top right corner
